Turn Your Love Into Action! Shadow Cats Needs Your Help To Restore Diminishing Resources And Help Save Lives.

As a private donor, you will be the Cat-alyt that Shadow Cats relies on to provide critical necessities such as: food, sterilization services, vaccinations, life saving medical care and safe haven for stray, homeless and abandoned cats that are placed in our adoption program. Shadow Cats Rescue has been providing these services in Round Rock, Austin and surrounding areas for over three years. Now we need your compassion and help more than ever.

Your donations make it possible for cats like Khan, who after being hit by a car, came to us, was rehabilitated and then adopted out to a new loving family. Sebastian, who was saved by our Trap, Neuter and Return program, required intensive medical attention for a viral infection. He is now a happy resident at Central Texas Cat Hospital. All of these cats would not have had a second chance if not for the generosity of private donors like you.

To have your donation doubled, become a kitty's Guardian Angel!

Won't you please help by donating now to the Shadow Cats "Guardian Angel Matching Grant?" This amazing gift matches your contributions dollar for dollar, increasing resources until we reach our goal of \$20,000. Every donation of \$50 and over that is made to Shadow Cat Rescue will be matched with in-kind medical services by Dr. Roy Brenton Smith and the Central Texas Cat Hospital.

Doctor Smith would like to challenge all veterinarians and cat lovers to make a life saving donation today. With Central Texas Cat Hospital's help, and the help of other area veterinary hospitals, we can continue to provide the finest medical care and sterilize thousands of cats in the coming year.

In Recent Mews

As of January 1, 2007, we have spayed & neutered over 1,500 cats since our inception and as 2007 comes to a close, we are closing in on 2,000 cats that have been sterilized thanks to Shadow Cats efforts.

This number represents thousands more kittens that did not come into this world unwanted and left on the streets. Shadow Cats is also working with the City of Round Rock to revise the current feral cat ordinance. What does this mean to you? We are keeping the feral cat population down in neighborhoods all around you and saving lives. Revising this ordinance will ensure that we can successfully continue our mission of reducing the feral cat population in the Round Rock community for many years to come.
